

CHANGING RINGTONES FOR CISCO SPA PHONES

Open CommPortal > Settings Tab > Phones Tab > Configure your phone

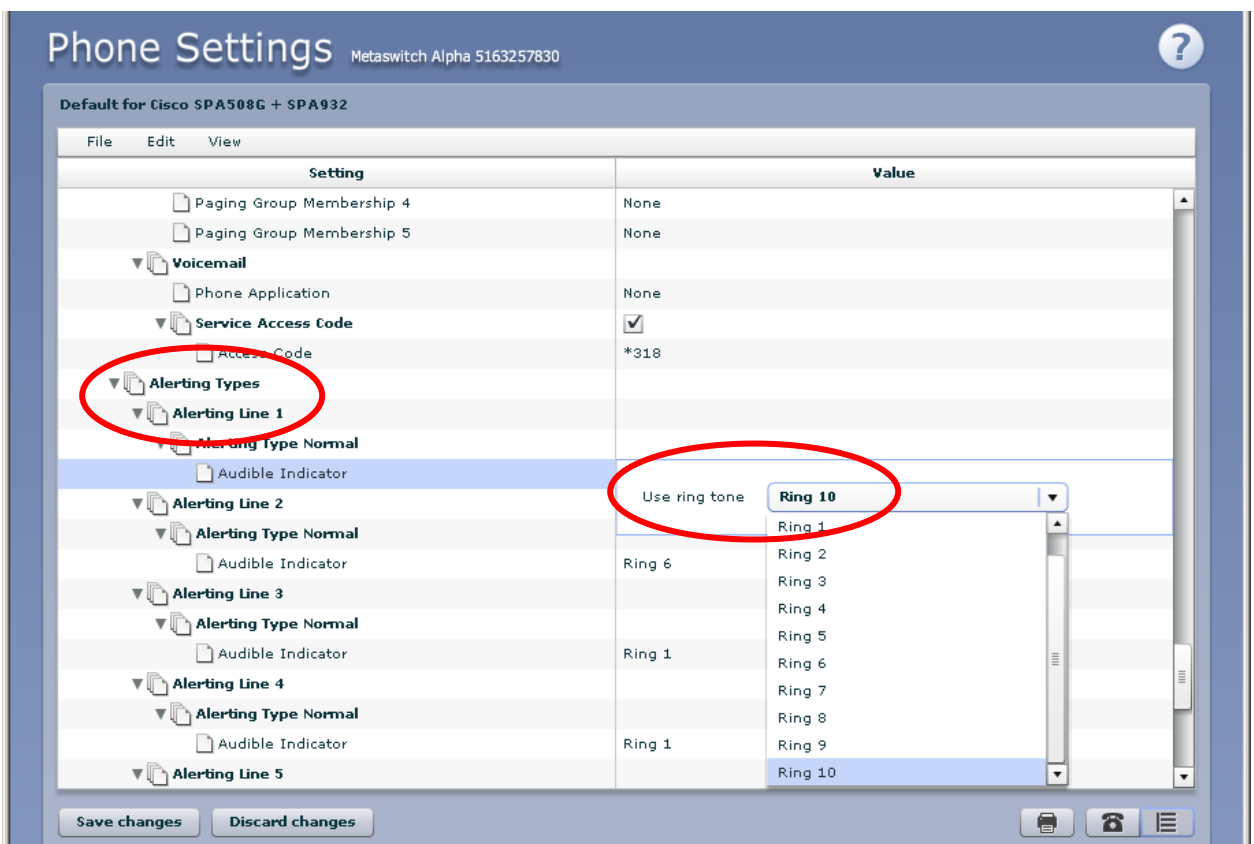

Table View

3. View > Expand All

4. Scroll all the way down to Alerting Types.

Select the Line you want to change and click on the Ring Type to get a drop down list of ring types.

Depending on your phone model select the following ring tones:

	<u>Cisco SPA 50x:</u>	<u>Cisco SPA 525:</u>
Ring 1	Classic 1	Simple
Ring 2	Classic 2	Retro
Ring 3	Classic 3	Office
Ring 4	Classic 4	Analog Synth
Ring 5	Simple 1	Are You There?
Ring 6	Simple 2	Chime
Ring 7	Simple 3	Clock Shop
Ring 8	Simple 4	Film Score
Ring 9	Simple 5	Koto Effect
Ring 10	Office	Piano

Note: This list does not reflect the same options you'll see on the phone, this is just a naming issue.

5. Select your ringtone and Save changes - Reboot your phone and the ringtones will change.
