

UNDERSTANDING POLYCOM® VVX® 501 BUTTONS AND HARDWARE

- 1 USB Ports** - Enable you to:
 - Attach a USB flash drive so you can record calls, update the background picture on your phone, set up a screen saver, or use your phone as a digital picture frame.
 - Attach a USB headset.

- 2 Message Waiting Indicator** - Flashes red to indicate new messages.

- 3 Home key** - Enables you to press  from any screen to display Home view. From Home view, press  to display other phone views.

- 4 Screen** - The 3.5-inch diagonal screen is backlit.

- 5 Speaker** - Provides ringer and hands-free (speakerphone) audio output.

- 6 Headset key** - Enables you to place and receive calls through a headset. The key glows green when an analog headset is activated.

- 7 Speakerphone key** - Enables you to place and receive calls using the speakerphone. The key glows green when activated.

- 8 Mute key** - Mutes your audio during calls and conferences. The key glows red when audio is muted.

- 9 Dialpad** - Enables you to enter numbers, letters, and special characters. You can also use the dialpad keys to select menu items that have index numbers.

- 10 Volume keys** - Adjusts the volume of the handset, headset, speaker, and phone's ringer.

- 11 Security slot** - The connector on the back of your phone that enables you to attach a laptop cable lock to your phone so that you can secure it to a desktop. For more information on locking your phone to the desktop, see Security Slots on Polycom Phones (Technical Bulletin 64654).

- 12 Microphone** - Transmits sound from your phone to other phones.
